

TARC MEMBERSHIP MEETING MINUTES

15 June, 2015

1932 Open Meeting- Steve KE4THX-

VP Joe KJ4BNC- Good evening. We need to watch water intake and time spent outside in ultra hot environment. 16 oz every 1/2 hr over 85f. Be careful of sunburns.

Treasurer Bob NG4R- \$2,080.50 currently but some checks outstanding. Radio giveaway going excellent and this month we will draw until given away.

Secretary David KK4TLR- Picnic Plans going to stay with

Media & Membership committee chairman Ron K4TCP- 60 active members. no new apps since last meeting

Facebook- nothing new

Balloon Launch- showing photos on screen. successful launch with the students. payload landed about 70 ft up in a tree and took about 3 hrs to retrieve. Determine the effect of low temp and atmosphere.

JOTA David AE4ZR- Brian still hasn't gotten back with us. Tom sent a note to keep in touch with us. Still up in the area for Maulty location for this year.

Bylaws Report- Steve - final revisions send for final review prior to next meeting. Note to have one more review and wrapped up by next July meeting. Anyone in the club can review, just ask.

Field day 06/27-28

- All set, have permits, porta potty
- still working on the mast mounting to trailer.
- Schedule hand out for Setup and Operations. David will continue to send out email for signup.
- Need members to sign up to operate and help with setup we have Skeleton crew so far. Even 1 hr volunteers are needed

Round the Room

David M- Toms email re GC Mayor meeting for Hamfest Proclamation on the 23rd.

Ms. Green- still getting the hang of the radio

Andrew- working on fm sat radio

Linda- needs signatures from Officers

- getting into rocketeer with tracking.

Jenny- David Clark K4EXA went SK

Bryce- working on power supplies. Repeater Report- about 2 wk ago Knightsville 94 repeater, hub and dgis repeater went down because of breakers. Yorktown had powersupply issues not having enough power from the power supply so they put a 10 amp for aprs to help reduce the load on the other power supply.

Ron- echoed what David M. said about being there for GC Mayors photo shoot. business casual is appropriate address.

- Software defined radio. Red matia board is now selling \$205 working sim to K3. also planing with

Mel- 2 computers set to log Field Day to be able to automate logging

Steve- Bill Pasternack from Amature Radio newsletter passed away.

- July presentation topic sc qso party by Tom Francis W1TEF

Joe- his son is a firefighter and responded to a house fire caused by a under rated circuit breaker.

Bob- Field day is a great place to learn things about logging , antennas.

Radio Giveaway- Ron Fred Shaffer drew 59= Robert Willhight, 2nd drawing 24= Steve L. won!

2006 Meeting closed David. moved, Linda Seconded.

Tonights Show- Field day 1937 Charleston\ WV
