

## TARC Board Meeting April 1, 2019

Present were:

Vice President Jan KX4MI

Bryce K4LXF

Secretary Linda KM4WBN

Jason KN4AEC

David AE4ZR

John KK4JS

Rick N8BKN

Van N4VGE

Vice President Jan started meeting at 1827. He told of a proposal that was going to be put to the membership for the purchase of a G5RV, or an end fed, or a buddy pole antenna. He also reported that he would make an announcement for the LOWVELO event at the membership meeting and that it should be mentioned again closer to the event.

Secretary Linda had no report.

VE Testing David said that they need 5-6 VEs and that he would be sending out the email before the test session.

Membership Chairman Jason had no report.

QSL Manager John said he needed no additional materials at this time.

Repeaters- Bryce had nothing to report.

Old Business:

SC POTA David reported that the team would be going to Bonneau Ferry again on April 13<sup>th</sup>.

Trailer Wrap- Jan suggests that a someone who has experience installing decals be hired. Van said that he would put the ad on Craig's List. Have that person come to the Tail Gate.

K4PSA Steve absent, but there has not been a school club meeting as the students were on Spring Break.

Soldering class- no report- Ron absent. It was mentioned again, that it would be possibly held at the Red cross facility.

New Business:

Museum Ships- Van POC. Van has spoken with the Hunley Museum for some exposure of our event and Lisa at the boat yard. Plans are being made to bring several antennas and Van will bring his RV. They plan to use the on-site crane to try lifting an antenna down by the water. Some set-up on Friday evening.

Tailgate- POC Linda- all planning ongoing, nothing new at this time to report.

Program Committee- Van reported that Tom Glabb will be doing a presentation on FT8 after this month's membership meeting. Van is also looking for someone to do a presentation on programming a DMR radio for August.

Dinner Meeting- will be discussed at the membership meeting.

Meeting adjourned at 1905.

Secretary

Linda Wilson
